

GO!® Strip Cutter-6½" (6" Finished)

Item Number: 55086

Why Quilters Love the GO! 6½" Strip Cutter Die:

- Many quilters struggle with cutting long strips for borders. The GO! Strip Cutter-6½" makes it easy to cut perfect wide borders as well as 6" finished blocks and more.
- No sliding rulers! No miscuts! The GO! Strip Cutter-6½" includes one strip that can be a challenge to cut by hand.
- Ideal for scrappy quilts! Easily cut up to 6 layers of scraps or full length fabric on the die to get three perfectly cut 6½" strips in one pass thru the cutter.
- GO! Strip Cutter-6½" includes ¼" seam allowances for easy alignment and piecing.
- Cut perfect 6½" strips, then use the angled guide lines to cut squares and diamonds.
- Die blades are 23" long and are open at both ends to allow cutting of fabric that is still folded as it comes off the bolt.
- Cut strips out of a variety of fabrics: cotton, batiks, flannel, fleece, Cuddle® fabrics and more!
- Free pattern downloads available to get you started.

How to Die Cut 6½" Strips:

- **6½" Strips:** Cut 7" wide strips across width of fabric to cut one, 6½" strips. Position fabric on die so fold of fabric is perpendicular to cutting blades and will roll through the cutter first. One yard of 40" wide fabric cuts five strips.
- **6½" Squares:** Start with a 6½" strip aligning it across die board with the 90° guide line. Fanfold into 7" widths. Cut five 6½" squares across the width of fabric. One yard of 40" wide fabric cuts 25 squares.
- **45° Diamond-9¼" Cut Side Edge:** Start with a 6½" strip. Align your 6½" strip across the die board to the right side of the 45° guide line.
- **30° Diamond-13" Cut Side Edge:** Start with a 6½" strip. Align your 6½" strip across the die board to the right side of the 30° guide line.
- **60° Diamond-7⅝" Cut Side Edge:** Start with a 6½" strip. Align your 6½" strip across the die board to the right side of the 60° guide line.

Measurements:

- **Cut Size:** 6½"W (16.5 cm)
- **Finished Size:** 6"W (15.2 cm)
