

GO!® Signature Block-4½" Finished

Item Number: 55356

Why Quilters Love the GO! Signature Block Die:

- Use the GO! Signature Block shape to incorporate signatures to personalize a quilt or prepare signature blocks to be signed at showers, weddings and other celebrations.
- The GO! Signature Block is designed to work with the GO! Half Square Triangle-3" Finished Square (55009) and GO! Half Square Triangle-1" Finished Square (55320). Sew two 3" finished half square triangles to the long sides of the block for a 4½" finished square or four 1" finished half square triangles sewn to the short sides of the block form a 6⅞" x 2⅞" rectangle.
- The GO! Signature Block die is the perfect size to make good use of your favorite fabrics in your next project or fabric pieces from your stash.
- GO! Signature Block includes ¼" seam allowances for easy alignment and piecing.
- Cut signature block shapes out of a variety of fabrics: cotton, batiks, wool, felt, flannel, fleece, Cuddle® fabrics and more!
- A great way to use up scraps.
- Free pattern downloads available to get you started.
- Layer Cake and Fat Quarter-friendly

How to Die Cut Signature Block Shapes:

For best cutting results, position fabric on the lengthwise grain (straight of grain) as it goes under the roller.

- Cut a 7½" strip across the width of fabric. Fanfold into 3⅞" widths. Place on selected blade and cut. Cut 12 signature blocks across the width of fabric. One yard of 40" wide fabric cuts 48 signature blocks.
